

Notarial Practice

Whether drawing up articles of incorporation, acquiring real estate or issuing shares, all healthy commercial and not-for-profit organizations need to document their agreements. Corporate law, real estate law and the regulations that apply in your sector are changing constantly. How do you cope? Are you up to date? Van Doorne's notarial practice turns legal obstacles into comprehensive, creative, practical solutions.

Restructuring/structuring acquisitions

If you want to optimize your company's legal and tax status, you need structures that are compatible with the way you finance your acquisitions. The relevant legislation is changing rapidly, both in the Netherlands and at European level. How do you keep track? Van Doorne will advise you on new opportunities to achieve the best possible structure for your company.

Corporate governance

These days, managing and supervisory directors bear more responsibility than ever, even in the not-for-profit sector. We keep close track of the latest developments and offer you timely advice.

Sale of real estate

Successful real estate sales increasingly involve restricted rights, such as long-term leases, or a division into apartment rights. We can help you explore these options.

Property development

Whether you are acting alone or in a consortium, developing a subdivision or building a wind turbine, we can use our expertise and experience to remove any legal obstacles to selling or developing your property.

Not-for-profit

New partnerships, mergers, transfers and restructuring operations are increasingly common in the not-for-profit sector. We know exactly what goes on in your sector, and we will anticipate your needs and requirements with intelligent, creative solutions.

Financing

We advise companies, banks and their foreign advisers on (cross-border) financing, security interests and venture capital financing transactions. We have the right expertise and can help you identify the ideal financing structures.

Knowledge of your sector

As a full-service firm focusing on the business sector, we consider a thorough knowledge of our clients' markets just as important as legal expertise.

We do more than consider the legal aspects, we also make use of the latest research and sector-specific information to identify opportunities and possible risks.

In this way, we guarantee legal services of a consistently high quality.

Our areas of expertise include:

- Restructurings
- Mergers and demergers
- Partnerships
- Structuring acquisitions
- Project development
- Sale and purchase of commercial real estate
- Financing and security
- Business succession
- Privatization and spin-off
- Market liberalization in the not-for-profit sector

Expertise without attitude

We focus on corporate law in the broadest sense, the not-for-profit sector and real estate. Needless to say, our specialists also have a great deal of knowledge and expertise in all the other areas of traditional notarial practice. Client-focus and practical solutions are our trade marks; our advice is well-considered, sound and clear, and we do everything possible to keep it that way.

Van Doorne has a wide range of clients from the Dutch and international business markets. However, we also work for government authorities, educational institutions and not-for-profit organizations.

As Van Doorne's specialists can draw on a wide-ranging international network of attorneys, civil-law notaries and tax lawyers, they can approach any problem from different angles to help you find the ideal solution.
